

HELP US CREATE VALLEJO'S FIRST RESILIENT NEIGHBORHOOD!

Join us to be a part of bringing this vision to life, and
learn through hands-on workshops
how to improve the resilience of your home using:

Laundry-to-Landscape Greywater

Bioswales

Waterwise Edible Landscaping

Permaculture Design and Biomimicry

Green Shade Features to Cool Your Home

VALLEJO, CA
WEEKENDS MAY 25 - JUNE 22
Exact dates coming soon!

To be notified when workshop dates are set, email
kassie@sustainablesolano.org or check our calendar by visiting
SustainableSolano.org/calendar

If available, please bring a shovel, garden rake and gloves as supplies are limited.
