

Sustainable Solano  
**Small Grant Application for Solano County Farms Fire Relief Funding**

Sustainable Solano’s new round of funds is designed to directly support Solano County family farmers, ranchers, wine growers and agritourism enterprises who suffered losses as a result of wildfires during August 2020 with project- or need-specific assistance. This round of funds opens Feb. 1 and will award up to \$2,500 per farm.

**ELIGIBILITY**

This funding is made available in the context of the Solano Local Food System to support local farms, ranches, wineries and agritourism businesses that are actively involved in agriculture and increasing public awareness of local food:

- Family farmers, ranchers and wine growers who are actively working the land, derive a portion of their income from their own farm business, and are involved in the day-to-day operations of the farm, or
- Agritourism businesses (an agritourism business is a commercial enterprise for the enjoyment of visitors that generates supplemental income for the owner and includes public access to the following activities on the land: fishing, hiking, wildlife study, horseback riding, event venues and other)
