Bounty of the County back for 5th year starting in late August

Daily Republic Staff
Aug 20, 2024

FAIRFIELD — A series of Bounty of the County Farm-to-Table events have been scheduled starting at the end of August and running through the end of September.

"This is Solano's fifth Bounty of the County, which has evolved each time to best serve the interests and needs of the community and the farms, restaurants and others it promotes," organizers at Sustainable Solano said in a statement.

Participating farms include Eatwell Farm, Lockewood Acres, Terra Firma Farm, Blessed Blossoms, Pleasants Valley Honey Company, Soul Food Farm and Cal Microgreens.

"Each event highlights local chefs as they create dishes with Solano-grown produce, nuts, honey, olive oil and more," organizers stated.
